William Jones's Almshouse Charity

MESSAGE FROM THE CHIEF EXECUTIVE AND CHAIR

For the year ended 31st March 2019

Welcome to the William Jones's Almshouse Charity annual report. It has been a busy and successful year for the charity.

Cwt William Jones continues to thrive and during the year we have been focussing on reviewing current management and maintenance arrangements. Trustees agreed to move the repairs and maintenance service to our existing facilities management contract, which will take place during 2019/20. In terms of management, the charity has begun recruitment for a part time scheme manager who will help develop the service provided to residents.

During 2018/19, we said goodbye to Laura Claydon, John Webster and Tony Harris as retiring Trustees and Ros Kennedy who also left during the year, all of whom made vital and significant contributions during their time. We recruited 5 new Trustees in the year who bring the right skills and experience to support William Jones's Almshouse Charity to continue to develop and improve. These Trustees are Rachel Howell, Olivia Spencer, Andy Mennell, Keith Low and Patrick Finch.

We thank Monmouthshire Housing Association, and everyone who has worked with us over the past 12 months for once again contributing to a successful year.

Richard Gore, Chair of the Trustees

Anne Anketell, Chief Executive

REPORT OF THE TRUSTEES

For the year ended 31st March 2019

What we do

The aims and objectives of William Jones's Almshouse Charity are held within the governing scheme. The primary objective is as follows:

The provision of housing accommodation for beneficiaries who:

- i) Are in need, hardship or distress, and
- ii) Have resided in the area of benefit, the county of Monmouthshire.

We do this by

Providing an almshouse comprising 24 x 1-bedroom flats offering opportunities for independent, affordable and secure living.

The history

William Jones, a Haberdasher, was one of the most generous benefactors of his time; a staunchly puritan merchant adventurer who left his home in the Monmouth/Newland area to find employment in London. He went on to live and work for many years in Stade and Hamburg in Northern Germany. When he died, he left a sum of £19,900 for various charitable purposes, leading to the establishment of two richly-endowed almshouse charities. The larger of the almshouse charities was built at Monmouth, where he also founded a school (now the Monmouth School for Boys). William Jones granted the trusteeship to the Haberdashers' Company, which went on to be responsible for the charities for almost 400 years.

The original Monmouth Almshouses were constructed in 1614 and rebuilt in 1842 and 1961.

The 1961 Almshouses consisted of 19 bedsits. By recent years, it had become apparent that the Almshouses were no longer "fit for purpose" as their outdated design and limited size did not provide the quality of accommodation that the Haberdashers believed should be made available to older people. The Company therefore decided to work with Bristol Charities to create new modern almshouse accommodation on the Monmouth site. Having consulted with the Haberdashers' Company since 2005, Bristol Charities took over the trusteeship of William Jones's Almshouse Charity in 2011.

Achievements and performance

Priority 1:

Review our repairs, maintenance and management arrangements for Cwt William Jones

The current service level agreement with Monmouthshire Housing Association is due to end in July 2019. During the year, having reviewed the arrangements and sought feedback from the residents of the scheme, we made the decision for Monmouthshire Housing Association not to continue with the current management arrangements.

William Jones's Almshouse Charity

REPORT OF THE TRUSTEES

For the year ended 31st March 2019

Cwt William Jones will therefore move to the existing facilities management service that Bristol Charities has in place for its Orchard Homes, Bristol based properties. Work began in 2018/19 to ensure the transition between the two different services goes well.

Work also began on recruiting for a scheme manager post for the almshouse, and it is hoped to have this position filled by the summer of 2019.

Priority 2:

Implement a new rent management system

A new rent management system was implemented in 2018. The system enables the charity to take a proactive approach to collecting income and managing arrears. The system and underlying policy places importance both on promoting a positive payment culture amongst our residents but also provides for earlier intervention to prevent residents who we feel may be at risk of accruing arrears, enabling us to act quickly to offer support and advice.

Priority 3:

Improve performance on key performance indicators for the year

During the year ended 31st March 2019, our performance in the following areas were:

Voids and arrears

During the year ended 31st March 2019 our performance in this area was as follows:

	2018/19:	2017/18
Voids	1.11%	2.64%
Arrears	0.7%	0.6%

Resident satisfaction

We carried out a resident's survey for the year and these were the results:

Customer satisfaction survey:	2018/19:	2017/2018:
Satisfaction with overall service	93%	77%
Satisfaction with facilities and scheme	87%	81%
Satisfaction with repairs and maintenance	93%	80%

Plans for the year ahead

Our plans and objectives for the year ahead are as follows:

Priority 1:

Enhance and improve current facilities management services provided to residents and leaseholders in Monmouth.

Priority 2:

Recruit a part-time dedicated Scheme Manager for the service.

Priority 3:

Maintain customer satisfaction levels during the transition to a new service model in 2019.

REPORT OF THE TRUSTEES

For the year ended 31st March 2019

Legal structure, governance and management

The William Jones's Almshouse Charity is a registered charity number 230514. The charity is governed by a scheme of the Charity Commission dated 12 July 2001, modified by a scheme dated 3 October 2007 and by special resolution of the Trustee dated 23 June 2011.

The charity shares the governance and management structure of Bristol Charities. Day to day management of the charity is delegated to the Chief Executive (Anne Anketell). The Chief Executive reports progress on key areas of work to the Board on a regular basis.

The address of the principal office of the charity as well as names of the charity's Trustee, Bristol Charities, can be found on pages 1 to 2.

There are four standing Committees of the Board of Bristol Charities.

The Committee structure is as follows:

The roles of the Committees are as follows:

Assets and Finance Committee

This Committee is responsible for overseeing all aspects of the charity's investment portfolio including investment policy, setting appropriate benchmarks and maintaining the performance of the two investment managers. The Committee has overall responsibility for all endowment and operational property and non-property investments and assets. It also reviews the consolidated annual operating and capital project budgets and central management income and expenditure.

Audit and Health and Safety Committee

This Committee is responsible for the review of the external audit of the financial statements, the requirements for any internal audit projects and the review of risk management. The Audit and Health & Safety Committee recommends to the Board of Trustees the appointment of the firm which conducts the independent review.

Nominations Committee

This Committee ensures that the Board of Trustees has the right balance of skills, expertise and experience required to govern the charity. The Committee oversees the recruitment and appointment of new Trustees and presents prospective Trustees for election to the Board of Trustees.

Remuneration Committee

This Committee considers and makes decisions about staff terms and conditions and pay.

Recruitment, Induction and Training of Trustees of Bristol Charities

Trustee recruitment

Candidates are recruited based on the skills and experience and knowledge that will be needed on the Board. The Nominations Committee undertakes an annual skills analysis in order to identify gaps on the Board. Any recruitment campaigns focus on the specific skills and experience required to fill those gaps. In 2018, 3 Trustees completed their full terms of office and retired at the end of the year. One further Trustee resigned in March 2019.

The charity has a role description for the Trustee post and the recruitment pack is updated annually. Applicants have the opportunity to meet the Chair and the Chief Executive before being interviewed by two members of the Nominations Committee. Recommendations to appoint are then made by the Nominations Committee to the Board of Trustees. There were 5 new Trustee appointments during the year.

William Jones's Almshouse Charity

REPORT OF THE TRUSTEES

For the year ended 31st March 2019

Training induction and appraisal of trustees

New Trustees take part in a Structured Induction Programme, attending meetings with key staff and other Trustees, visiting projects and sites and are encouraged to attend all committees to really get an understanding of the work of the charity. This year the charity developed and introduced a comprehensive Induction Pack.

Trustees are sent information on a regular basis on training courses and briefings. A regular item has been introduced to the Board of Trustees meeting agenda to provide updates on policy/legislation changes. Trustees who have attended training are encouraged to share knowledge with fellow Trustees

The Chair meets with each Trustee on an annual basis to review their performance and to receive feedback. A summary of those meetings is reported to the Nominations Committee. A Formal Trustee Appraisal Policy and Procedure is being implemented and this was being developed in the year.

Public benefit

The objects and aims of William Jones's Almshouse Charity are contained in the governing scheme dated 12 July 2001.

Its objects include the provision of housing accommodation for beneficiaries who

- i) Are in need, hardship or distress, and
- ii) Have resided in the area of benefit, the county of Monmouthshire.

The Trustees have considered the Charity Commission guidance on public benefit from section 17 of the Charities Act 2011. We believe that the work of William Jones's Almshouse Charity has directly benefited people by

- Providing excellent, purpose-build accommodation at William Jones's Almshouse, offering on site support and a safe community setting for older, vulnerable people.

The Strategic Report section, pages 5 to 7, sets out the aims and strategies of the charity and demonstrates how the aims and activities of the charity during the year were carried out for the public benefit.

Pay policy for senior staff

The pay of the senior staff is reviewed annually by the Remuneration Committee, page 9.

Our staff

It is through the commitment to our staff that we are able to meet our objectives. William Jones's Almshouse Charity is committed to providing a working environment where everyone has a chance to develop and make a contribution. We provide training and career development to all employees, we assess an individual's career development with an annual appraisal and

regular 1:1 meetings and we provide training to meet any ongoing needs with the aim of developing employees for both their current and future roles.

Risk management

The Board of Trustees oversees risks annually with additional operational and financial risk assessment through delegation to the relevant committee and to the Audit and Health & Safety Committee.

It oversees its responsibility through its review of the effectiveness of the charity's Risk Framework. This framework is designed to support informed decision-making regarding the risks that affect the charity's performance and its ability to achieve its objectives.

Management of risk is embedded into our day-to-day business activities and well-established processes and policies are in place to manage them. All our employees have a role in reducing risk through our internal control framework.

Risks are recorded in a risk register and are evaluated in terms of impact and likelihood. The register also provides for a consistent approach to identifying assessing and dealing with the risks facing the charity so as to ensure they do not exceed the level of risk the charity is willing to assume. The register is designed to manage, rather than eliminate the risks to the charity's objectives and to provide reasonable, but not absolute assurance against material misstatement or loss.

The Audit and Health & Safety Committee biannually reviews the results of the risk reviews undertaken by management and approves an annual risk-based internal audit plan which covers the major risks identified.

Principal risks and uncertainties

Trustees and staff have, during the year, reviewed the principle risks to the charity. Actions to mitigate these risks have been developed and progress on these actions monitored regularly at both Board and Senior Team level. Trustees are satisfied that these mitigation actions have reduced the following risks to an acceptable level:

Risk:	Management Actions:
Lack of demand resulting in an excessive number of voids	<ul style="list-style-type: none">• Use multiple sources to advertise vacancies including choice-base lettings and local adverts• New scheme manager to facilitate a speedy response to referrals• Build waiting list

REPORT OF THE TRUSTEES

For the year ended 31st March 2019

Financial review

It is pleasing to report the charity made a surplus in the year of £5,890 (2018: surplus £30,549). Within these results £24,430 of depreciation (2018: £24,517 was charged to endowment. Net restricted fund income was £1,571 (2018 expenditure: £1,878). The unrestricted surplus of £27,494 (2018: surplus £55,689) of charitable income over expenditure was credited to unrestricted reserves.

Unrestricted charitable income of £193,979 (2018: £190,188) was generated from weekly maintenance and utility charges to residents.

The Charity's surplus of £5,890 is less than the £30,549 reported in the previous year principally because of increased property and maintenance costs to improve the standard of the almshouse accommodation.

Pensions

Bristol Charities implemented pensions auto-enrolment in March 2016. Staff who are automatically enrolled have contributions paid to the Growth Plan Series 4 Pension Scheme which is administered by the Pensions Trust. Pension auto-enrolment was brought in by the UK Government to encourage employees to save towards their retirement and 7 Bristol Charities employees started contributing to a pension following the implementation.

Bristol Charities participates in 2 defined benefit pension schemes, the Scottish Voluntary Sector Pensions Scheme and the Growth Plan Series 3 Pension Scheme. Both of these funds are in deficit and Bristol Charities makes monthly contributions to fund them. Full information on the policy for funding these 2 plans and the accounting for the contributions payable are disclosed in Bristol Charities' annual accounts, notes 12 and 29.

Bristol Charities employs staff for William Jones's Almshouse Charity and as a result the staff costs, including pension costs, are recharged to William Jones's Almshouse Charity.

Going concern

The Trustees regularly prepare forecasts and projections, taking account of reasonably foreseeable changes in income and expenditure.

Based on the above the Trustees have a reasonable expectation that the charity has adequate resources to continue for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the report of the Trustees and financial statements.

Reserves policy

During the year the Trustees reviewed and agreed a new reserves policy. In formulating the new policy Trustees noted:

- The charity has a risk management framework which is updated annually. Risks identified are reviewed by the Audit and Health & Safety Committee every six months.
- The charity has adequate insurance cover in place to mitigate against a potential business interruption event which might cause a loss of rental income.
- The other risks to the charity and the protective steps taken to mitigate against them.

William Jones's Almshouse Charity

REPORT OF THE TRUSTEES

For the year ended 31st March 2019

-
- The charity's almshouse income from residents is historically secure and voids are closely monitored.

Taking account of these various risks and available mitigants, Trustees have agreed at 31 March 2019 that it would be prudent to retain unrestricted cash reserves of a minimum value of 1 month of projected almshouse costs of £12,500.

In summary, a minimum cash reserve of £12,500 is retained in the current account, which is one month's maximum expected monthly expenditure. By comparison, total reserves at 31 March 2019 amounted to £1,410,218 (2018: £1,404,328) and included unrestricted reserves of £222,085 (2018: £194,591).

Internal control

Accounting policies and procedures are determined as far as is practical to provide a good level of financial control over the charity's income, expenditure, assets and liabilities. All transactions are required to be authorised before payment and all payments require 2 authorisations. All non-standard payments of £10,000 or more require approval by a Trustee before payment. In advance of each year the Trustees review and approve a budget. Each quarter the Trustees review actual performance of the charity against budgets and make enquiries to management of significant deviations.

The Audit and Health & Safety Committee meets twice per year and at the meeting to review the annual accounts, the Independent Examiner is required to provide a commentary on internal control and procedures based on the findings in their fieldwork.

The Trustees recognise with a small head office function internal controls rely on a small number of key staff, but they believe that the Controls in place are adequate to safe guard the charity's income, expenditure and assets.

The Governance Framework sets out the operational boundaries and defines the activities of the Board, Committees and Management Team, it sets out how actions and decisions should be taken and ensures compliance is effectively assessed. The charity maintains a strong Health and Safety focus to ensure that as far as practical, safe working arrangements and effective management of key hazards (fire, legionella, electrical and mechanical safety). Regular reports are presented to the Management Team and the Audit and Health & Safety Committee.

Structure, governance and management

William Jones's Almshouse Charity is a registered charity, number 230514.

The charity is governed by a Scheme of the Charity Commission dated 12 July 2001, modified by a Scheme dated 3 October 2007 and by special resolution of the Trustee dated 23 June 2011.

Bristol Charities is the corporate Trustee of the charity.

Bristol Charities' Trustees are appointed on a triennial basis. Candidates are recruited on the basis of the skills and experience required on the Board. The Nominations Committee identifies the skills, experience and knowledge that will be needed on the Board and seeks to recruit candidates on this basis. The Committee oversees the process of recruitment and makes recommendations to the Board of Trustees at the Annual General Meeting.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF WILLIAM JONES'S
ALSHOUSE CHARITY

For the year ended 31st March 2019

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 March 2019.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts.

Having satisfied myself that the accounts of the charity are not required to be audited under section 144(2) of the Charities Act 2011 and are eligible for independent examination, I report in respect of my examination of the charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- a) accounting records were not kept in respect of the charity as required by section 130 of the Charities Act 2011; or
- b) the accounts do not accord with those records; or
- c) the accounts do not comply with the accounting requirements concerning the 2011 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination or
- d) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The cost of such properties includes the cost of acquiring land and buildings, development expenditure, and expenditure incurred in respect of improvements which increase the future net income stream. Interest is capitalised up to the date of practical completion of the relevant scheme. Assets in the course of construction are capitalised at cost and not depreciated until the work is complete and the assets are transferred to other categories.

Depreciation is charged on a straight-line basis as follows:

Component	Useful Economic Life (Years)
Kitchens, Bathrooms, Heating	20
Roof, Windows, Lift	30
Structure	100
Equipment	5

Depreciation is split between the unrestricted and endowment funds pro rata to the net book value of the underlying fixed assets.

No value is attributed to the land owned by the charity. Historical cost information is no longer available for this property and the Trustees consider that attempts to provide valuations on an existing use basis would produce no useful or reliable information. If it were possible to base a provision for depreciation on historical cost, it is probable that the amount would not be material.

Debtors

Debtors are recognised at the settlement amount net of any discounts offered. Prepayments are valued at the amount prepaid after taking account of any discount due.

Creditors

Creditors are recognised when the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any discounts due.
